Here at Every Good Work of North Texas

We believe in building a community. A place where everyone can gather and grow. We work with the youth to help them become the best version of themselves that they can be. We do this through volunteering programs like Weekend for Good and Leading for Good. There are ways to give back including volunteering opportunities for both youth and adults! Our organization is the hub for youth in the Arlington, Mansfield, and Grand Prairie areas who want to make a difference. There's a movement happening in DFW and we want you to be a part of it!

Give Back to Your Community

We host volunteer-led events every week intended to provide a lasting impact in the D/FW area. Volunteer at one of these events today and meet new friends along the way!

About Us

Every Good Work of North Texas began its journey in 2006 when the idea to start a nonprofit to benefit youth in the Dallas/Fort Worth area arose. After years of offering youth services to the community through volunteer services and mentoring programs, our organization took shape and began a relaunch to offer more opportunities to youth within the region today.

Every Donation Counts

Your donation no matter the amount will be

put to good use. We will use it help create

better opportunities for all our volunteers. If

you dont have the means to donate at the

momment thats alright. There are plenty of

other ways you can make an impact such as

volunteering, spreading the word about our

organization on social media, and showing up

to our events to show your support.
